

In Attendance:

Jackie Anderson, Jeff de Boer, Peter Deacon, Bill Duma, Helena Hadala, Helen Mackie, Seka Owen, Bev Tosh, Fred Valentine, Jeremy Stugress

Organized by Seka Owen (Regional Co-chair, Calgary) and Helena Hadala

Seka Owen reported that seventeen academicians had confirmed their attendance. The unfortunate occurrence of the blizzard that evening reduced the actual attendance to ten academicians and a few of their partners. She said that Jeff de Boer gave an excellent orientation of his studio and work. She commented on the fact that several of those present didn't know each other and welcomed the opportunity to meet. All present expressed their gratitude for the opportunity to connect and hoped to meet again: Architect Jeremy Sturgess offered to hold the next social.

Discussion topics included possible benefactors and corporate sponsors. Organizing a casino was a suggestion for a fundraising effort.

There was a desire voiced by several present that the RCA membership list needs to be updated with correct contact information.
